Volume 6 June 2006

Thank you to everyone who came to the ADA Walk May 6th. Jennifer, Ben, Henry, and Kate also attended the Walk, even though Jennifer was very pregnant. Jennifer delivered a beautiful baby girl May 9th; Ellen Joy Kilman weighed 7lbs 12 oz .

The Rock Against Diabetes tee shirts have arrived. We have a limited number so if you would like one or would like to preorder one from the next batch please contact Jennifer with your tee shirt size. The shirts are gold with red and black logo.

The Kilman family will be appearing on KATU Channel 2 at 2pm Sunday June 4th during the Doernbecher Hospital Telethon. They will also be showing a short movie sometime during the day that was filmed at our home. This will help bring attention to Diabetes, *Rock Against Diabetes*, and the staff and doctors at Doernbecher Hospital.

We will be working with Gales Creek Camp this summer to create a themed short camp for high school age kids. There will be several music related workshops and three or more bands performing. If you are interested in participating in some way let us know.
