

Newsletter

Volume 12 January 2007

As you may have noticed there was no December newsletter. Our family has had a very busy couple of months as I am sure many of you have.

We still have a few tee shirts available in both Gold and white. To order your **Rock Against Diabetes** tee shirts email Jennifer with your size requests and contact information.

If you are interested in cute and collectible Christmas items please visit Grandma's "Christmas Corner" at 42nd Street Station Antique Mall. It is just off NE Sandy Blvd and 42nd St. Her corner is on the lower level, space 8. Profits will go to the JDRF!

As part of our effort to spread awareness about diabetes we worked with area schools and the ADA's "School Walk for Diabetes" program. In November several of the Scappoose schools had some kind of education and some fundraisers for the American Diabetes Association. The program began with an assembly/presentation by an ADA representative. The program lasted for two weeks while the kids fundraised and had classroom activities about healthy living and diabetes education. It culminated with a walk the whole school participated in. George's school, Grant Watts Elementary, raised over \$4000 for the ADA. Otto Peterson school in Scappoose did a similar event and they raised over \$1800.00! Yay Scappoose!!!! Grant Watts was the number 1 fundraiser with this program in the state of Oregon!

Remember **Rock Against Diabetes NW** is not just a concert, it is an ongoing grass roots campaign to spread awareness and raise money for agencies that support research and work on improving the lives of those who live with diabetes.

Thank you for your ongoing support,
The Kilman Family
Jennifer, Tom, George, Henry, Kate, and Ellen
