

Tom represented Oregon and SW Washington September 22nd in the JDRF *Ride to Cure Diabetes* in Whitefish, MT. He was one of only about 200 riders, and one of two from Oregon. Tom rode a metric century (about 66 miles). The ride went well and we all had fun in Montana. Thank you all for your generous donations! I want to put out a special thank you to Mark Dybvig and **SWIFT couriers**. Without the support of all our family and friends this would not have been possible!

The JDRF Walk to Cure Diabetes in Portland, Oregon was Sunday September 30th. We participate in this event annually as a group of family and friends. Even though it rained the whole day the turn out was good and it was inspiring to see so many people supporting the JDRF. Thank you for the fun and the food Judy, Debbie, Lara and all the JDRF volunteers that made this possible!
